Issue date : Thursday 28 January 2010
 Effective date : Tuesday 2 March 2010
 Announcement No : 2010 - 008

Indices:

Name	Isincode
AEX-index®	NL0000000107
AMX-index®	NL0000249274
AScX-index®	NL0000249142

Subject: Selection Annual Review

Index Adjustment: Based on the selection criteria, the following changes to the composition will be made.

Index (ISINcode)	Inclusions	Removals
AEX-index (NL0000000107)	No inclusions	No removals
AMX-index (NL0000249274)	Delta Lloyd	Prologis European Properties
AScX-index (NL0000249142)	Arseus	Hunter Douglas
	Fornix BioSciences	
	Gamma Holding	
	Prologis European Properties	

Conditions: The compiler retains the right to change the published selection in case of mergers, take-over, suspension or resumption of trading during the period before the effective date of the annual review. The annual review will take place if the market capitalisation of the traded shares included in the index represents at least 95% of the index's total market capitalisation. If this condition is not met, the periodical adjustment for the related index is postponed until the first day on which this condition is met. The Free Float figures as published in the appendix are final.

Time table: After the close of markets on Friday 26 February 2010, the number of listed shares for each constituent will be published. These numbers of listed shares will be used to determine the final weighting in shares after the close of Monday 1 March 2010. After the close of markets on Monday 1 March, the final weighting of shares for each constituent in the index will be published.

The appendix gives an indication for the new weightings for the new composition.
