The screenshot displays the IEXONE market monitor interface. At the top, there are navigation options for 'Choice for dark or light version' and 'Streaming & dynamic updated'. The main content area is divided into several sections:

- Indices and Key Rates:** A table showing indices like CAC40, Euro30, US30, and key interest rates for UK, DE, FR, and US.
- Stock Quote Blocks:** A list of 7 stock quote blocks, each containing a table of stock prices and their changes.
- Index Quoteline:** A section for index quotelines with various symbols and their real-time data.
- 30x Different Instruments:** A section for 30 different instruments, each with its own day chart.
- Charts:** Several line charts showing price movements for different instruments over time.
- Advertisements:** A large advertisement for 'CAC40 & CACNEXT20 COMPOSANTS' is visible in the center.

Annotations with arrows point to various features and data points across the interface, such as 'Click on France40# presents the daily chart', 'Personal Watchlist', 'Gainers & losers per index/section', 'Index quoteline, with:', '30x different instruments', and 'Advertisements'.
